THE WIN!

We live in a scoreboard driven society. If the scoreboard says we have more, then we win. If the scoreboard says we have less, we lose. But that may not be completely accurate depending on your own definition of success or of THE WIN! What does THE WIN look like to you? Teams, individuals, marriages, families, organizations all need to find and focus on their WIN!

WIN: success in adding value!

HOW TO FIND THE WIN FOR YOU & YOUR TEAM

1 PASSION!

What fires me up?
What are you willing
to suffer for?

2 LEGACY!

How will I measure my life?
What do you want people to say about
you and your leadership at
your retirement party?

3 VALUES!

What do I really,
really want?

4 INTENTION!

What do I want to accomplish?

5 DECISIONS!

What drives your choices?

BONUS: CHANGE!

What problem in the world
do you want to solve?
What breaks your heart?

Use these questions to get a new focus. Go through these questions with your team to give everyone a sense of what THE WIN is for the organization.
